*28th Street Magazine presents...*

# UCLA FORMAL

*Snog Stateschool is quite macho if you really think about it.*

---

**"Rudes, I mean Dudes, I'm going to a UCLA Formule, eh? Can't wait. Got a date. Now I need a suit... SC dumpsters, that's the ticket stub... er ticket."**

---

*Trojan Serfs have always hated UCLA Bruins in that they both compete for reject suits during formal preparations.*

---

**"Augh! Fighting these Serfs is hard work, but it is worth it! SC dumpsters have provided me with nearly ninety percent of my wardrobe."**

---

*Not to be confused with a three piece suit.*

---

**"Not bad! Pretty much got this one out in one grab. Some tape and some staples and it will be good as new. Now lets get that limo!"**

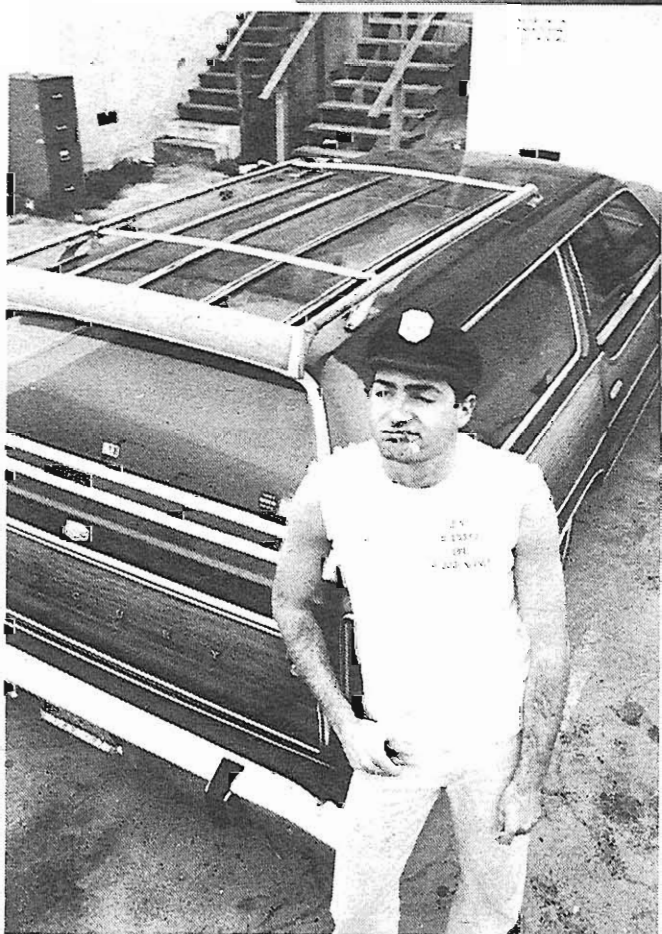

---

**EL LIMO  
DE CHEAPO**  
WE LOVE BRUINS!

*The stretch station wagon is for those special occasions.*

*Driver Blugongski of Bulgaria is a great guy.*

---

**"Hey, I love these guys! I would recommend *El Limo de Cheapo* to any UCLA alumni."**

---

---

**"What do you mean ya don't drive!  
All right! All right! I'll drive! I'll  
deal with this later, I'm late!"**

---

*Snog gets upset but, hey, its El Limo de Cheapo*

*Hoping for a ride home, Blugongski attempts to help Snog with his problem.*

"Oh man! You parked the limo over an open trench! I'll never pick up my date in time! Oh Rudes, I'm stuck!"
